

Support

St. Columba receives federal, local and foundation grants to sustain our programs. We are also supported through the generosity of numerous churches, businesses and individuals in our community. These groups provide financial and in-kind donations that allow us to continue to serve those who come to us in need.

St. Columba has many opportunities for you or your group to get involved and give back to your community. From serving on our board to doing a special collection of food, clothing or hygiene products, we have something for you! Mission

To operate an ecumenical ministry in response to the Biblical mandate to minister to persons in need, whether these needs are economic, social or spiritual.

The ministry is a direct, hands on ministry recognizing the integrity of individuals and working with them where they are. The ministry is indirect, working with churches and other organizations to establish activities and secure resources that address people's needs.

Heritage

With a Presbyterian heritage, in 1975 St. Columba Ministries began a social justice ministry to the low/poverty level income residents of Robin Hood Apartment complex.

In 1986 St. Columba Ecumenical Ministries became an ecumenical corporation reaching out to the poor and homeless in Norfolk and Virginia Beach.

St. Columba has been instrumental in forming the first family shelter in Norfolk, opening the first shelter in Virginia Beach and opening the first Homeless Day Center in our region.

Day Center

St. Columba operates a Day Center Monday – Thursday from 9 AM to 2 PM for homeless adults to have basic needs met. Guests can take a shower, get a cup of coffee and a sandwich and escape the elements. We also provide phone use and temporary mailing address, as well as referrals to other resources.
